Hard Skill

- Programming (C/C++, Python, Java, JavaScript, SQL), Advanced Algorithms, Automata
- Full-Stack Development, MERN Stack Development
- Frontend Development (React.js, HTML5, CSS3, Tailwind CSS, React Router, Vite), UI/UX Designing (Figma)
- Backend Development (Node.js, Express.js, RESTful API Development, JWT Authentication, Authentication & Authorization)
- Database Management (MongoDB, MongoDB Atlas, Mongoose, MySQL, PHP, XAMPP), Software Management
- Data Analytics, Business Intelligence & Analytics
- Data Visualization (Power BI, Tableau, Recharts), Google Colab
- Machine Learning, Deep Learning, Model Building & Interpretation
- Generative AI, Large Language Models (LLMs), Retrieval-Augmented Generation (RAG)
- Prompt Engineering, AI Integration, LLM Integration, Image Processing
- Cybersecurity, Advanced Cyber Security, Wireless Network Security
- Networking (Cisco, NetSim), Quality Assurance
- Software Engineering, MVC Architecture, System Design Fundamentals
- Git, GitHub, Version Control, Branch Management, Repository Management, Postman
- Deployment (Vercel, Render), Cloud Databases, CRUD Operations, API Integration, Dashboard Development
- Nature Inspired Computing (ACO, FPA, PSO, GA)
- Entrepreneurship & Startups, Engineering Economics, Industry Management

Miscellaneous

- Management, Leadership, Public Speaking
- Shell Scripting, Linux Environment
- Unity Game Development, Canva & Digital Design
- LaTeX Documentation, Technical Writing
- Microsoft Office Suite
- Team Collaboration, Event Coordination

Education Background

B.Tech

National Institute Of Technology Sikkim
Bachelor of Computer Science and Engineering
Graduated in 2026

CLASS XII

Chattogram College, Chattogram, Bangladesh
General Science
Completed in 2022

CLASS X

Chittagong Collegiate School,
Chattogram, Bangladesh
General Science
Completed in 2019

Honors

ICCR SCHOLARSHIP

By Govt. of India

Awarded to International students with excellent academic performance for pursuing higher education in India

Language

- English, Bengali, Hindi

Recent projects

Certificateless Short Signature Scheme for VANETs in Named Data Networks

B.Tech Final Year Thesis Project • 2025–2026

- Research-focused project on designing a lightweight certificateless short signature authentication scheme for secure communication in Vehicular Ad Hoc Networks (VANETs) using Named Data Networking (NDN).
- Focused on reducing communication overhead, improving privacy preservation, and enabling efficient broadcast authentication in high-mobility vehicular environments.

MedFlow – AI-Powered Healthcare Management Platform

Personal Full-Stack Project (MERN Stack) • 2026

- Developed a full-stack healthcare management platform using React.js, Node.js, Express.js, and MongoDB (MERN Stack).
- Implemented JWT authentication, role-based access control, and RESTful APIs for patient, appointment, and prescription management.
- Built analytics dashboards, integrated MongoDB Atlas, and deployed the application using Vercel, Render, Git, and GitHub.

Classroom Allotment System (DBMS Mini project)

NIT Sikkim

- A DBMS project for the classroom allotment system involves main entities: Students, Faculty, Schedule, Classroom, Department, Semester, Subject

Water Supply management system (DBMS mini project)

NIT Sikkim,

- A DBMS project for the Water Supply system involves main entities: Customer, Water Source, Water Treatment plant, Distribution Network, Water meter, Billing System

A project build a personal portfolio webpage using HTML, CSS (WebDev Project)

- A Web development project to build a personal portfolio webpage

AI-Powered Dermatological Diagnosis and Education Platform (ADDEP)

- *Conversational Image Recognition Chatbox for Dermatological Diagnosis and Education*

Certification and Achievements

- Winner of the Inter NIT Hackathon at Abhiyantran'2026, Annual Technical Fest of NIT Sikkim
- Earned NPTEL Certification in Business Intelligence & Analytics (IIT Madras), achieving an Elite Rank with a consolidated score of 76% (2026)
- Winner of the Entrepreneurship Summit 2023 inspired by Eureka IIT Bombay ideate on AI-powered Renewable Energy Integration
- Certification of APTIS by British Council (Overall CEFR Grade B2)
- Certification of attainment in the Interactive and Spoken English Course at College of Science, Business & Humanities
- Certification of Business Analyst Assessment by Leantube (2024)

Experiences

SELISE Bangladesh Ltd

Business Analyst Intern • Dhaka, Bangladesh

- Analyzed business processes and developed Power BI dashboards for data visualization and decision-making.
- Assisted in gathering and documenting business requirements to support digital platform solutions.
- Collaborated with Finance and HR teams to streamline workflows and enhance operational efficiency.
- Designed user-friendly applications and worked closely with stakeholders to improve software performance.

April,2025

🌟 Certificate

PwC Switzerland

Business Analyst Virtual Internship

- Completed a job simulation to strengthen Power BI and data visualization skills.
- Created Power BI dashboards to communicate KPIs and client insights effectively.
- Communicated analytical findings and recommendations with engagement partners.
- Examined HR data and identified gender balance issues using data-driven analysis.

Feb 2025

🌟 Certificate

Cognizant

Artificial Intelligence Job Simulation

- Completed an AI-focused job simulation for Cognizant's Data Science team.
- Conducted exploratory data analysis using Python and Google Colab.
- Prepared Python modules for machine learning model training and evaluation.
- Presented analytical findings through PowerPoint-based business reporting.

Mar 2024

🌟 Certificate

Mastercard

Cybersecurity Virtual Experience Program

- Served as an analyst on Mastercard's Security Awareness Team.
- Identified and reported cybersecurity threats including phishing attacks.
- Analyzed organizational security gaps and implemented awareness training procedures.

March,2024

🌟 Certificate

J.P. Morgan

Software Engineering Virtual Program

- Set up a local development environment with required tools and dependencies.
- Fixed broken repository files to restore correct web application output.
- Used JPMorgan Chase's Perspective library to generate live financial data visualizations.

May,2024

🌟 Certificate

J.P. Morgan

Cyber Security Virtual Program

- Analysed fraud datasets in financial payment services.
- Applied application security fundamentals in practical scenarios.
- Built an email spam classifier system.
- Designed systems to strengthen access control for sensitive information.

May,2024

🌟 Certificate

Shajinaz Hospital Ltd

Hospital Software Developer Intern • Chittagong, Bangladesh

- Worked on hospital management requirements including patient records, billing, and scheduling.
- Managed healthcare databases using SQL for secure data storage and retrieval.
- Designed user-friendly interfaces for healthcare professionals.
- Collaborated with developers and stakeholders to improve software functionality.

June,2024

🌟 Certificate

CodeClause

Artificial Intelligence Intern

- Developed an AI system for playing Tic-Tac-Toe.
- Built object detection and classification systems for images and video streams.
- Developed an AI-driven personality prediction system using CV analysis.

June,2024

🌟 Certificate

Accenture North America

Product Design Virtual Experience Program

- Completed a product design simulation focused on improving user experience.
- Added new features and iterated on existing product screens.
- Communicated feature design decisions and UX improvements effectively.

Dec 2024

🌟 Certificate

Deloitte Australia

Data Analytics Job Simulation

- Completed a Deloitte job simulation involving data analytics and forensic technology.
- Created interactive data dashboards using Tableau.
- Used Excel for data classification and business insight generation.

Feb,2025

🌟 Certificate

Clubs and Association

- General Secretary at Cultural and Creative Society(CCS)
- Foreign Affairs Officer at E&I CELL (the Entrepreneurship and Innovation Cell, NIT Sikkim)
- Executive member at DevCans, the coding club of Nit Sikkim
- Executive member at TRI (The Regnant Ink, Nit Sikkim)
- Drummer at Music and Cultural Wing, Nit Sikkim
- A Valorant Player of Esports Wing, Nit Sikkim
